NARANGBA
COMMERCIAL

Guaranteed Supply. Zero Compromises.

Reliability built into every order.

We support civil, infrastructure and industrial projects with reliable dunnage supply; delivered on time, in full.

Backed by 50+ years of timber expertise, we combine strong supplier relationships, deep stockholding and proven logistics to keep projects moving.

No delays. No guesswork. Just supply you can rely on.

Not a timber yard. A commercial supply partner built for project delivery.

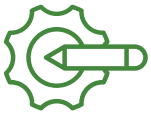
Full customisation to your specifications and FSC certification available.

- Custom dimensions
- Treatment certification available
- FSC certified options available
- Tier 1 contractor-ready supply

What Sets Us Apart

99% DIFOT Rate
Delivery In-Full On-Time. We know your project can't wait, and our supply chain is built around that fact.

50+ Years of Timber Expertise
Deep industry knowledge and strong mill relationships mean we source premium timber at competitive prices - consistently.



Fully Customisable
Sizes, lengths, treatment grades, machining and certifications - built to spec every time.

A Real Team Behind Every Order
No chatbots, no ticket queues. You'll deal with a dedicated commercial team who know your project and are ready to help.

From steel mills to pre-cast yards Australia-wide, we've got your dunnage covered.

Get in touch for pricing, availability and delivery timeframes you can rely on.

You'll be talking to someone who knows timber, knows your market, and knows how to deliver.
